1. Pay an annual membership

This membership covers your insurance while rehearsing and performing with the Chorale. It is essential it is paid within two weeks of singing with the Chorale.

Membership also entitles you to rehearse for and sing at Community events that we do, such as the Bombing of Darwin commemoration, ANZAC Day service, Police Remembrance, Carols etc.

2. Pay Rehearsal and Performance Fee, either the full year (4 performances) or selected shows.

This entitles you to rehearse and perform in major performances. You are loaned music for each performance you paid for and music skills are taught by the Music Director during rehearsals. Some concerts are limited numbers and by audition. You will need to complete an audition and be selected for these shows to be able to perform in these.

3. Complete an audition

Within the first few weeks of singing with the Chorale, you will be asked to audition either prior or after a rehearsal. The Music Director will listen to your voice range, tone and ascertain the level of your music skills. An audition form will be given to you for completion.
